Get organised with this fast, efficient desktop labelling machine

This desktop P-Touch labelling machine boasts impressive print speeds of 20mm per second, perfect to keep your home or office organised. Compact and easy to use, it'll soon become an indispensable tool, for labelling files, folders, computer equipment, cables, visitor badges – the possibilities are endless.

The PT-D200BW is packed full of features, from an ergonomic keyboard for easier typing, 14 different fonts, over 600 symbols and a Deco Mode for more creative labels. And because Brother's P-Touch laminated labels have been tested for indoor and outdoor use, you can be confident they are designed to last, where ever you use them.
