

Epson Mobilink™ P80

Wireless Receipt Printer

- Compatible with iOS, Android and Windows mobile devices
- Industry-leading operational battery life up to 40 hours*
- Highest printing speed in its class of up to 100mm/second
- 4-foot drop rating and IP54 environmental certified
- Supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility and Bluetooth® 2.1 + EDR
- Paper-saving options up to 23%
- CPCL emulations available

The Mobilink™ P80 with three-inch receipts is ideal for retail and food service. It offers the speed, reliability and connectivity options needed to meet the requirements of today's iOS, Android and Windows printing applications.

On-the-go performance printing

Lightweight and compact, the Mobilink P80 delivers all the features you need to print anywhere, anytime. It offers the fastest printing in its class with speeds up to 100mm/second, flexible connectivity, a ruggedized design with a 4 foot drop rating and IP54 certification and easily fits in the palm of your hand.

Industry-leading battery life

To ensure uninterrupted service to your customers, Epson's Mobilink P80 features an unmatched operational battery life of up to 20 hours with 802.11 models and up to 40 hours with Bluetooth models*.

Multi-platform printing made easy

With Epson's unique ePOS-Print technology, the Mobilink P80 can print from any devices running an iOS, Android or Windows operating system with a WiFi or Bluetooth connection, using a HTML5 browser or native application. This provides an easy and smart solution for today's mobile printing requirements.

Compatible and ready to go

The Mobilink P80 printer is compatible with all of today's best-of-breed POS systems

and the latest industry-standard wireless security protocols. The printer supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility or Bluetooth® 2.1 + EDR. It also comes complete with ESC/POS®, OPOS, JavaPOS and Windows® drivers which means your current POS software and applications are instantly compatible.

Improve customer experience

With Epson's Mobilink P80 three-inch receipt printer, you can print the same high quality receipts for your customers as your Epson TM-series counter printers. And because they print the same size receipt, there is no additional development required.

Reduce your paper costs

With the Mobilink P80 paper-saving options, you can reduce your paper usage by up to 23%. The paper-saving settings are easy to use and do not affect print quality, readability or font size.

Backed by the leader

The Mobilink P80 features the quality and reliability that Epson is known for, a low total cost of ownership and is backed by our leading service and support programs.
