TSP800 Series

High Speed, Wide Format Barcode, Label, Receipt and Ticket Printer

- Versatile 150mm / sec. Barcode, Label, Receipt & Ticket Printer with Autocutter
- Unique 104mm / 4" print width on paper stock up to 150g/m². 82.5 and 80mm paper rolls can also be accommodated using the optional paper guides
- Internal or External Paper Feed Paths (external for large capacity or security applications)
- "Drop-In & Print", easy paper loading
- Two colour output when required with comparable running costs to other technologies - red / black or blue / black

- Compact Footprint (180 (w) x 213 (d) x 148 (h) mm) with vertical "Desk Boot" and Wall Mount options
- ESC/POS[™] compatible in standard and "Super Large" mode
- Automatic scalable raster driver for immediate A4 reduction to virtual A6. Ideal for desktop replacement printer, internet café and kiosk use

Typical Applications

- High Quality POS Receipt Printer with shelf edge labelling feature
- Barcode Printer
- Ticket / Label / Kiosk / Information Terminal Printer with black mark sensor

- Kiosk Information Terminal Printer
 - Desk boot option & external paper feed path
- Internet Printer Screen image reduction feature
- Remote Printer
- Industrial Printer Data logging, journals - high capacity paper rolls
- TSP847D Serial Interface
